Klaymor Farm, owned by Mr. W. J. Russell, adjoins Glenburn Farms. Here the sale of W. J. Russell, Jas. Douglas & Sons and K. C. Gray will be held on October 1st.

Your attention is also drawn to the Dispersion Sale of Geo. D. Fletcher & Son at Guelph on October 3rd.

Terms and Conditions

The cattle offered in this sale are thoroughly healthy and have passed Federal tests for Tuberculosis and Bang's Disease. All papers necessary for shipment to the United States will be provided.

1. Proper care should be given by purchaser to protect breeding qualities and health of animals.
2. All bulls guaranteed breeders. A bull shall not be allowed to serve when under fourteen months of age or be allowed to run with herd when under twenty months of age.
3. Cows sold with calves by side are considered proven breeders. All other cows and heifers sold as a single lot are guaranteed breeders, except calves sold by side of dam as one lot and heifers under sixteen months of age at time of sale. Heifers shall not be served for first calf by heavy or old bull. Cows and heifers over three months gone in calf, according to service date furnished at time of sale, but not proving in calf, must be reported to seller within three months from date of sale; all others served within three months of date of sale not proving in calf or not settled must be reported within six months. Heifers not settled when twenty-two months of age shall be promptly reported. Heifers over sixteen months of age sold open, not settling within six months of date of sale, shall be promptly reported.
4. Any animal not proving up to foregoing guarantee shall be replaced with another of equal value at the time of purchase to the satisfaction of the purchaser, or the purchase price will be refunded at the seller's option, but the seller may, if he desires, have the animal returned for retrial for a period not to exceed six months. The expense of return freight in such case is to be paid by the seller. If the animal is proved to be a breeder beyond doubt, it shall be returned to the purchaser at his expense. In case the animal proves to be not a breeder, then the purchaser shall be given the option of having purchase price refunded without interest or of accepting a substitute as stipulated above. Salvage to go to the seller. No charge for feed or maintenance shall be made by either buyer or seller.
5. A certificate of registry in the Dominion Shorthorn Herd Book will be furnished with each animal. Any animal in this sale can be registered in the American Shorthorn Breeders' Herd Book.

As soon as cattle are sold, they are at owner's risk, but every care and attention will be given them and they will be loaded free of cost.

Group of Sale Heifers, Beath Farms

Beath Farms Consignment

The female herd at Beath Farms has long been recognized as one of the very best on the continent. Here, Walshford Paymaster built his great reputation as a most consistent sire of breeding matrons, many of which have in turn done much to advance the standard of the Beath herd.

Roland Clipper by Drynie Roland (imp.) out of a Walshford Paymaster dam, and Klaymor Beau Ideal by Collynie Royal Barrage (imp.) have proved themselves worthy of heading such a group of females. Nine of the cattle in this consignment are by these two bulls. The other six are by a son of Walshford Paymaster, Beathton Seal, who promises to make an enviable record in the immediate future.

The entire offering is pictured individually or in the above group.

Beathton Ward. A bull with plenty of substance, bone and good conformation, out of a grand red cow which is considered one of the top breeding cows in our herd.

OAKFIELD FARMS

ORILLIA - - - ONTARIO

Again it is our pleasure in conjunction with Glenburn Farms and Beath Farms to present our annual auction.

Every animal in our offering has been vaccinated under the Ontario Veterinary College plan of calfhood vaccination.

We have derived great satisfaction and pleasure in breeding these cattle and trust they will be a deciding factor in maintaining and increasing the popularity of the Shorthorn Breed in North America.

We, at Oakfield Farms, have not been interested in merely multiplying Shorthorns. It has been our sole aim to improve and present for sale the best possible. In order to carry out this programme one of the essential factors has been the selection of herd sires, of the highest type, quality and breeding regardless of where they are located or what effort was necessary to procure them.

The nine lots sired by Klaymor Favorite =256200= in this catalogue tell better than any words that could be written, of the ideal type, of the attractive breed, character and of the grand colours. When we purchased Klaymor Favourite, he was generally recognized as one of the best bulls procurable. It is a matter of great satisfaction that his calves are living proofs that justify the confidence that we, his owners, and his breeder, Mr. W. J. Russell, had placed in this bull.

This catalogue has been liberally illustrated with photographs. Footnotes do not appear as the cattle definitely speak for themselves of the progeny of Klaymor Favorite; we know that they will meet with the approval of those interested only in the best.

There is sincere satisfaction in presenting the six lots sired by O.A.C. Ransom 21st =239523=. To those who are interested in securing the ever popular Ransom Bloodlines, we sincerely recommend our 1945 offering by this bull. The pedigrees represent the best bloodlines, the cattle are of modern type, low set, thick, early maturing, thrifty and stylish—just the kind that any breeder can depend upon to keep the Shorthorn breed moving rapidly forward.

Shorthorns of Ransom breeding have experienced a healthy popularity, based on sound fundamentals that are appreciated by experienced cattlemen. The cattle we are offering by O.A.C. Ransom 21st give assurance of their ability to reproduce these desirable characteristics.

We have likewise amply illustrated this catalogue with photographs of the progeny of O.A.C. Ransom 21st. Footnotes are again superfluous as the cattle are living proofs of their excellence.
